## Restaurant Chatbot

# Automate up to 80% of your Restaurant's Conversations

### General Enquiries

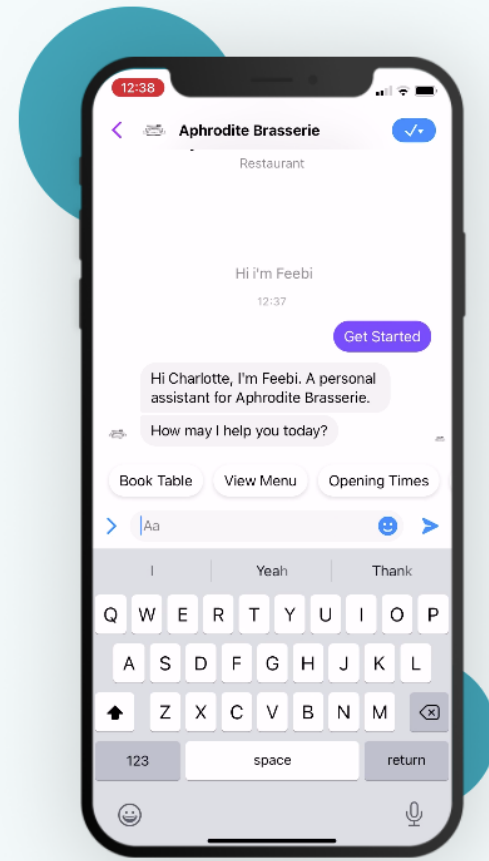

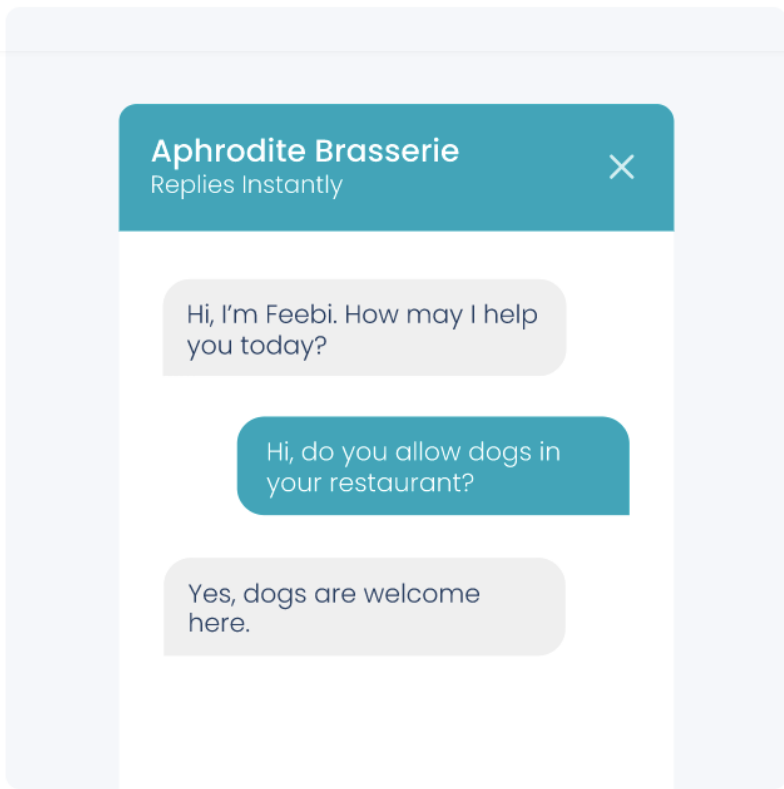

From parking queries, to finding out if you're dog-friendly, Feebi will answer all of your customer's questions immediately.

### Table Reservations

Feebi links up with your table reservation software, enabling quick and easy booking from your website and social media.

### Menu Requests

Your customers can find out about special menus, drinks options, and even dietary requirements, before they even get to your restaurant.

# Feebi replies to your customers 24/7, no matter what you're doing.

### Facebook Messenger

Automate and grow on Facebook Messenger

### Business Messages

Resolve inquiries directly from your Google listing

### Website Widget

Automate conversations from your website

### Instagram Messenger

Feebi is coming soon to Instagram Messages

"Feebi has decreased our average response time from 7 hours to 5 minutes. It automatically answers customer questions and deals with table bookings, without any interaction from our staff"

Jack Edge - Mission Mars

# Set up Feebi for your Restaurant in just 5 Minutes

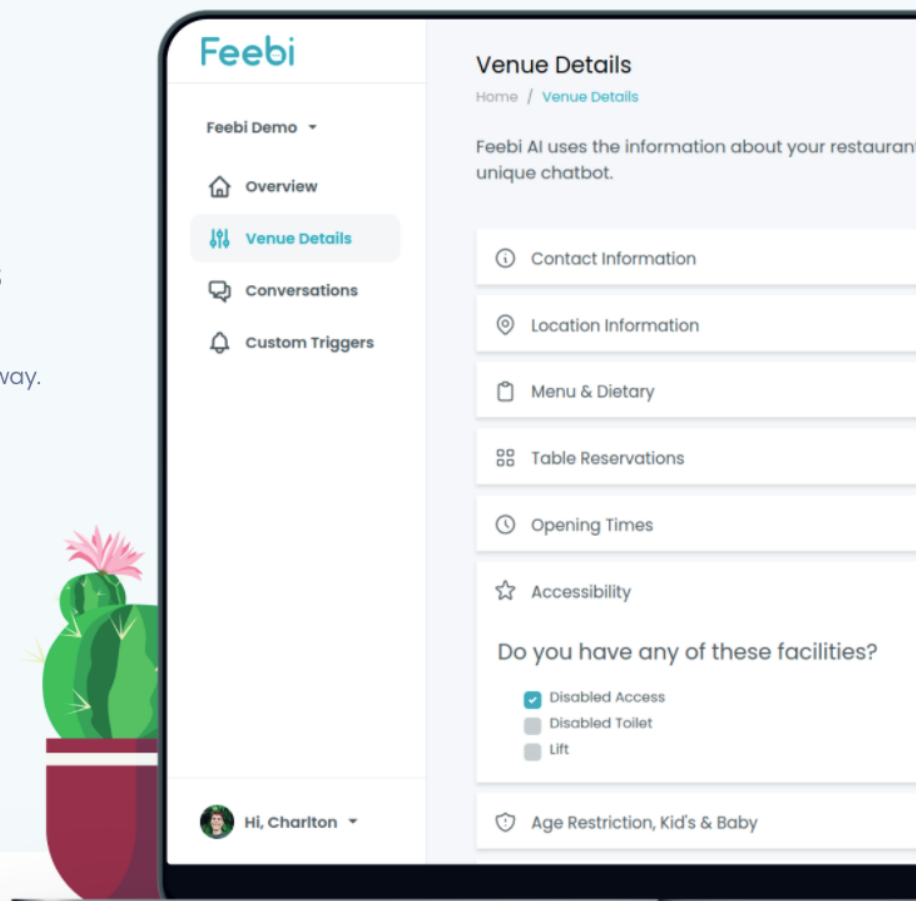

All you have to do is fill in your restaurant's details, and Feebi will respond correctly to your customers straight away. There's no further training required, for you or your staff.

"Within minutes we were able to get Feebi up and running and responding to our customers."

James McGill - Cosmo Restaurants

### Instant Replies

Feebi responds to your all of your online inquiries instantly and effectively for the best possible customer experience.

### AI & Machine Learning

Feebi continually retrains on new data from restaurants making her the smartest restaurant chatbot available.

### Save Time & Money

Save time answering online enquiries on your social media, leaving you to spend your time with your guests.
